

PM3

STYLISH, HANDY, SMART BLUETOOTH SCANNER

Stylish and Trendy design yet Durable towards Enterprise application market

Among the flood of many luxurious and privileged Smart phone design, one of the most required smartphone accessory in Enterprise market, Bluetooth® scanner were not accompanied with such trend. PM3 is pursuing the image of 'Stylish' and 'trendy' since it is mostly co-working with Smartphone and Smart tablet in field. Nevertheless, PM3 never abandon its durability and it is rugged enough as IP54 water/dust proof and 1.5m (5ft) drop resistance.

Support Multi-Platform to serve a variety of users and application in Enterprise market

Starting from brand-free Android (from Gingerbread up to latest Kit Kat) devices, PM3 can be pairing with iPhone®, iPod®, iPad®, MacBook® Air via Apple MFI certification as well as all Windows® based laptop, tablet and desktop PC. With this true platform free PM3, the IT managers, who should deploy Bluetooth® scanners in their work place, now do not need to have headache due to various workstation and BYOD(Bring Your Own Device) devices.

Collect your necessary information from various media supporting 1D, 2D & NFC

PM3 adopts the latest 1D laser scanner, 1D CCD scanner & 1D/2D imager from Honeywell Scanning & Mobility. It reads all sort of standard 1D and 2D barcode symbologies including GS1 Databar. Its optional linear imager (CCD) is perfectly able to collect barcode data displayed on computer screen and smart devices' screen. Also, its Near Field Communication function support peer-to-peer (P2P) communication and auto-triggering of Bluetooth® pairing as well as read/write data from ISO 14443A/B, ISO 15693 & MiFare cards.

Features 'OF THE USERS, BY THE USERS, FOR THE USERS' in Enterprise business

- Stand-alone Global Positioning System (GPS), which is integrated in PM3, transmits a field worker's instant location to the host device so that field forces can be tracked on mapping solution.
- For outdoor usage, PM3 adopts OLED display to provide true sunlight readability.
- With software development kit (SDK), app developers freely controls PM3 with various type of Smart business application.

Technical Specifications

Physical characteristics

Dimensions with battery :
110 x 43 x 27mm (4.3 x 1.7 x 1.0 in)
Weight :
89g (3.13oz) with standard battery

Environmental

Operating: -10°C to 50°C (14°F to 122°F)
Storage: -20°C to 60°C (-4°F to 140°F)
Relative Humidity: Non-condensing, 95%
Rain & Dust Proof: IP54
Drop Specification: 1.5m (5 ft) per MIL-STD 810G
Electrostatic Discharge: +/- 15 kV air discharge
+/- 8 kV contact discharge

Power

Battery : Li-Ion, 850-950mAh, Built-in,
Rechargeable, IEEE 172 Compliant
Supports micro USB charging

Micro-Processor

32-bit ARM® Cortex®-M4 RISC processor 120Mhz

Firmware

Proprietary firmware, upgradable via USB
Language support, English, Korean, Japanese
Software Development Kit available
Supporting host OS : Android, iOS,
Windows Desktop, Mac Desktop.
(MFi will be certified Q1 2015)

Memory and Storage

1MB for program memory
4MB for storage

Display

1.0inch OLED display (128 x 64 resolution)
Monochrome color

Wired Communications

USB 2.0 Client (Full Speed)

Wireless communication

Bluetooth® Wireless Technology
IEEE 802.15 v2.1 + EDR
- Human Interface Device (HID) Keyboard
- Serial Port Profile (SPP), operating as
either a master or a slave
- Bluetooth® Class 2 (30meter)

Global Positioning System (GPS)

Stand-alone GPS : Ublox

Integrated Barcode Scanner (3 options)

1D Laser
1D CCD (screen barcode readable)
1D/2D Imager (screen barcode readable)

Near Field Communication (NFC)

13.56Mhz, HF RFID
Supports ISO14443A/B, ISO15693 and Mifare
Reading range : within 40mm (1.57inch)

LED Indicator & Alert Indicator

3 color LED (Blue, Green & Red)
Buzzer (90dB @ 10cm) & scan vibration

Key button

3 keys (1 scan key & 2 menu keys)

Standard Accessories

Lanyard, USB charging cable & User manual
(Battery is built-in the scanner set)

Regulatory Approvals and Compliance

Safety: EMC, RF, Laser approvals
Radio: FCC, CE, KCC Marks
Environmental: RoHS & WEEE compliant

INDUSTRY

Retail

Public Transport

Health care

Entertainment
